

# Master Thesis in Virology/Immunology

(Center for Virology; Group Judith Aberle)

## **Adaptive immune responses to SARS-CoV-2**

We are looking for a highly motivated student with strong background in immunology and/or virology. The candidate should have solid knowledge of the human immune system and antiviral immune responses. Experience with immunoassays and sterile working conditions is desirable.

Please send your Application including a letter of motivation and CV to Max Koblischke (Maximilian.Koblischke@meduniwien.ac.at).

Application deadline: 15.03.2021
